*VF Daily's picks for the top three parties around the globe last night. With the Met's Costume Institute Ball just around the corner, New York City is definitely the party capital of the moment.*

### **M.P.D. Revival**

**What:** The opening party for the Griffin.

**Where:** The Griffin, in New York City's Meatpacking District.

**Who:** The better question is who *wasn't* there? Guests included: **Kate Hudson, Uma Thurman, Sting, Lindsay Price, Catherine Keener, Salman Rushdie, Adam Lippes, Carlos Mota, Elise Overland, Kai Kuhne, Albert Hammond Jr., Byrdie Bell, Lola Schnabel, Vito Schnabel, Julia Restoin-Roitfeld, Alexandra Richards, Zani Gugelmann, Yigal Azrouël (curious!), Johnny Pigozzi, Olivier Sarkozy, Charlie and Bee Shaffer, Rachel Zoe, Andrew Saffir and Daniel Benedict, Bettina Zilkha, Amy Sacco, Natasha Royt, Andres Santo Domingo, Lauren Santo Domingo, Vanessa von Bismarck, Derek Blasberg, Dustin Yellin, Eugenia Silva, Simon Hammerstein, Jenn Brill, Jennifer Creel, Kate Schelter, Sophia Hesketh, Nur Khan, Rory**

**Guinness, and Nadine Johnson.**

**Why:** Because the party attracted that many boldface types.

**Talking Point:** The Meatpacking District. This is the first time in recent memory that this many socialites ventured into that neighborhood all at once.

### **Jewel Tones**

**What:** Cartier's 100th-anniversary party.

**Where:** Cartier Mansion, New York City.

**Who:** **Anne Hathaway, Demi Moore, Jessica Biel, Eva Mendes, Justin Timberlake, Kate Hudson, Martha Stewart, Rachel Weisz, Zac Posen, chef Daniel Boulud, Eli Weisel, Russell Simmons, Philip Lim, and Tory Burch.**

**Why:** Because nothing says ultra-glam like Cartier.

**Talking Point:** Nothing says Costume Institute Ball like Cartier!

### **Private Party**

**What:** After-party for the screening of Magnolia Pictures's *Julia*.

**Where:** A private residence in New York City.

**Who:** **Hamish Bowles, Tilda Swinton, Agyness Deyn, Adam Lippes, Carlos Mota, Cynthia Rowley, Jean Pigazzi, Allison Sarofim, Stuart Parr, Anne Dexter-Jones, Jessica Joffe, Bonnie Morrison, Sophia Hesketh, Dustin Yellin, Elise Overland, Gabi Asfour, Hope Atherton, Hunter Hill, Mickey Boardman, Rachel Roy, and Kai Kuhne.**

**Why:** Because wouldn't you have loved to have had these party guests holding court in your living room?

**Talking Point:** Party-hopping. Half of the crew jumped between the film's after-party and the Griffin. And most of these people are going to convene at the Bowery Hotel tonight. As for Saturday? Everyone will obviously be at the Rose Bar.
