Profile

Part bistro, part trattoria, and part steakhouse, chef Marc Murphy's duplex restaurant courts all appetites with a menu that lists goat-cheese profiteroles alongside five cuts of beef and just as many sauces. Pasta dishes like spaghetti alla carbonara vie with daily specials like boudin noir and veal kidneys. At least dessert's a no-brainer: Try all six for \$15. — Rob Patronite and Robin Raisfeld

Note

Reservations not accepted except for parties of six or more.
